PATENT  
Attorney Docket No.: SCRI1180-3

Please insert the following statement concerning Government support in the second paragraph of the specification:

“This invention was made with Government support under Grant Nos. HL 27234, HL 31950, and HL 21544 from the National Institutes of Health. The Government has certain rights in this invention.”

This statement is made to accurately reflect the government support status of the application. The insertion to the specification does not add any new matter.

The errors sought to be corrected in this patent were made in good faith and without deceptive intent. Accordingly, Applicants submit that the Request for Certificate of Correction does not raise issues of new matter, nor does it require reexamination.

Accompanying this Request are completed Forms PTO/SB/44 to be included with the issued patent.

In view of the above statements, it is respectfully requested that a Certificate of Correction of United States Patent Number 6,867,045 be issued, including the statement concerning Government support.
